## A message from your local policing team

Inspector Tim Davies

In September Dyfed Powys Police are recruiting officers and community support officers and are asking residents do you have what it takes to help us safeguard our communities?

We are looking for new recruits to work in Pembrokeshire and we want them to live within a 30 mile radius of the station. This is important because we want to increase the number of officers in those particular communities.

The application process will open on September 11th and close a week later. You can find our more information, and take part in an eligibility questionnaire at <http://dyfed-powys.police.uk/en/join-the-police>

## Familiarisation Event

If you would like to find out more about the process and what it means to be a Police Officer or PCSO come to the familiarisation event on Wednesday 10th September 2014 from 2:00pm, 3:30pm and 5:30pm at the Committee Room 2, First Floor, County Hall, Haverfordwest, Pembrokeshire SA61 1TP

If you would like to book a place at the event, please email [hrert@dyfed-powys.pnn.police.uk](mailto:hrert@dyfed-powys.pnn.police.uk) stating your preferred venue, date and time.

The application process will open on September 11th and close on September 18th at 12 middav.

## Message from the Chief Constable

Funded by the Home Office and College of Policing this community newsletter, from your local police team, aims to share with you what the police are doing in your area. Each Neighbourhood Team also has a page on the Force website with their latest activity

### 'If we are in, we are open'

It's important to us that people can access their local officers. We've listened to you, and have reviewed our police stations and mobile police stations, and whilst we want officers to be out in communities, we also recognise that people will want to visit them in our stations. This is why we have taken a new approach to our opening hours. If we are in the station, and we are free to meet people then we will.

### Crime Statistics

Dyfed Powys Police is the safest place in England and Wales with the lowest number of crimes committed and the highest number of detections. The crime figures on the front page show increases and decreases compared to previous periods. Sometimes they can look high as the actual numbers we deal with are so small.
