MISS THE POINT**

JESUS DAILY ©

“Can we make it the ten suggestions?”

Please support us in this.  
Bethesda Mens Shed is almost here!  
We still need members to help. No skills needed!

Once again this year we used our empty Harvest Service Box to help the VC Gallery. The box stayed open for your gifts of food and clothing until December 16<sup>th</sup> when it was given to the staff of the VC Gallery for distribution. This year made quite a difference as their normal sources were not able to help!

Also please ask your pet minded friends to come along to our Pet Service on the 10<sup>th</sup> of March at 6 pm.

### **VETERANS & THE COMMUNITY**

The VC Gallery is a registered Charity based in Haverfordwest, Pembrokeshire. We help service veterans and those in the wider community by getting them engaged in a variety of art projects. We passionately believe that art and culture can improve health, wellbeing and overall quality of life.
